Greetings!

At The Ohio State University, there are seven class honoraries that are overseen by the Association of Ohio State Class Honoraries (AOSCH). These honoraries accept extraordinary student leaders each year. The tenets of the class honoraries are scholarship, leadership, and service; the activities associated with the honoraries support these tenets. The honorary system is a special tradition at Ohio State that is over 100 years old and continues to thrive.

The honoraries are now accepting applications for 2015-2016. The applications for each honorary can be found at aosch.org and are due on Friday, January 23, 2015, at 5:00 p.m.

The basic eligibility requirements for the honoraries are as follows:

- You may apply to one honorary only according to your class level.
- Your cumulative GPA must be a minimum of 3.0.
- You do not need to be a member of the Honors or Scholars Programs.

The seven class honoraries are listed below, and for more details about each of these honoraries, please go to aosch.org/thehonoraries. We encourage you to explore the differences, as each honorary has its own traditions and character. Please note that the seven honoraries overseen by AOSCH are officially registered student organizations at Ohio State.
